New Product

S46B24R

Suits Toyota Prius OEM

- 2004 – 2009 1.5L Hybrid
- 2010 – 2011 1.8L Hybrid

New to the Hella Endurant Start Master AGM Range is the S46B24R. This OEM battery is found specifically in Toyota Prius models, where an auxiliary battery is required. The S46B24R is remote vent capable and can be attached to the vehicle's original equipment venting system.

The Hella Endurant S46B24R carries a nationwide 24 month warranty.
