

# ENDURANT<sup>+</sup>

## BATTERIES

### ENDURANT: 26-500, 55D23L-BH

Two new part numbers have been added to our range. The 26-5600 is a shorter version 127/156, an American box size designed for the likes of the Bobcat.

The 55D23L-BH has the 'B7' bottom hold down suitable for Kia and Hyundai.

#### 26-500

American BCI 26 box size.  
Suitable for Bobcat.

#### 55D23L-BH

55D23L with bottom hold down.  
Suitable for Hyundai and Kia.
