

It all starts with

## Professional Dual Purpose

Lower-spec boats and motorhomes still need the right product to perform at their best. That's why we've developed VARTA® Professional Dual Purpose batteries. Long-lasting and maintenance-free, they're ideal for seasonal use.

## Professional Dual Purpose Key Benefits

- Designed for standard motorhomes, caravans and boats with low or moderate energy demands
- Long-lasting – up to twice the cyclic stability of conventional flooded batteries (up to 200 cycles @ 50% DOD)
- Minimal self-discharge makes them ideal for seasonal use
- Ideal for dual power applications (can be used for both starting and overall energy supply)

## Why VARTA® Professional Dual Purpose Batteries?

Powered by Johnson Controls Power Solutions, VARTA® Professional Dual Purpose batteries are trusted by customers globally. VARTA® Professional Dual Purpose batteries provide longer life, less corrosion and lower cost of ownership. Take your vehicle to a workshop which works with VARTA® in order to experience excellent replacement service.
